ICOG Chairperson's message

Dear FOGSIans and ICOGians,

It gives me great pleasure to write the Chairperson's message for the first FOGSI-ICOG Newsletter of the year 2026-27.

As you are aware, ICOG is the academic wing of FOGSI and is in existence since 1984. The aims and objectives of ICOG are to promote education, training, research and spread of knowledge in the field of Obstetrics, Gynaecology, Reproductive health, Family Welfare and related areas. Our tagline is "Setting the Benchmark for Obs/ Gyn Excellence".

I took over as Chairperson ICOG along with the other Office Bearers and the new Governing Council 2026-27 which was installed at the glittering ICOG Convocation at AICOG Delhi 2026 on 17th January. Since then, it has been a non-stop academic feast with multiple ICOG web series being conducted every month. These include the ICOG Guru Mantra, Masterclasses, PG Clinic, Gurukul PG Teaching programme, Research Methodology and Journal Club and the Certificate Courses. All of the programmes have been consistently attended by a huge audience which has broken all previous records.

In this new year 2026, our plan was to strengthen the ICOG academic platform and revamp, revitalise and reinvigorate the activities of the ICOG at every level. The primary aim of disseminating evidence based medicine with every FOGSIan was to be addressed first and foremost by reaching out to all obstetricians and gynaecologists throughout the country.

Working in conjunction with FOGSI, the Office Bearers and Committee Chairpersons, ICOG has aimed to actively participate in multiple activities working towards women's health and the betterment of patient care. The newly elected 25 Governing Council members, who are an enthusiastic, vibrant force and have been a huge asset to ICOG for its activities so far and will help coordinate the many research projects planned for the future.

I wish to express my gratitude to the Past Chairpersons of ICOG, Past Presidents of FOGSI, Dr Bhaskar Pal, President FOGSI and other eminent seniors for their blessings, support and encouragement. Thanks also to our Secretary, Dr Pratik Tambe, who is a dedicated academician and to our ICOG Office Staff at the backend.

We look forward to your active participation in the ICOG activities, teaching, certificate courses, masterclasses, training programmes and postgraduate training activities. The Fellowship application portal is open and we strongly recommend you to please spread the word and encourage more of your colleagues to become Fellows and Members of the College.

We look forward to seeing many of you at the FOGSI-ICOG Annual Conference in Bangalore on 22nd-23rd August, 2026 where the second ICOG Convocation of the year will also be conducted.

Long live FOGSI-ICOG!

Dr Sheela Mane
MBBS MD FRCOG FICOG FICMCH
Chairperson ICOG 2026

Setting Benchmark for OBGY Excellence

Mission:

The aims and objective of establishing the College are to promote education, training, research and spread of knowledge in the field of Obstetrics, Gynaecology, Reproductive health, Family Welfare and related areas.

Vision:

The vision of the Indian College of Obstetricians Gynaecologists is to strive for advancement of standards of education and quality healthcare practices throughout India. The College encourages safe and ethical obstetrical gynaecological practices for patients' benefit.
